

YOCOCU 2018

May 23-25, 2018 Matera (Italy)

YOCOCU 2018 Dialogues in Cultural Heritage

Matera, Basilicata (Italy) - May 23-25, 2018

We are pleased to invite you to submit your abstract for YOCOCU 2018 Conference which will be held in Matera, Italy, from the 23th to the 25th of May, 2018, organized by YOCOCU in collaboration with other institutions.

YOCOCU 2018 is designed as an interactive forum to promote the dialogue and collaboration among researchers, professionals and citizens. For this reason, it includes special sessions such as a) Living Lab, dedicated to the participants who can show the products and methods used in their research; b) Open your art, dedicated to the citizens and to the connection between sponsors, participants and citizens in order to undertake scientific analysis on samples and private objects c) Lab Science Education events, dedicated to the citizens, to promote the science applied to the *conservation* and *valorisation* of cultural heritage.

Following the conference topics:

- a) New technologies in terms of methodologies and materials
- b) Archaeometry and cultural heritage: provenance of natural and artificial stone materials and metals
- c) Protection and Conservation of archaeological sites and buildings
- d) Conservation of Contemporary Art and other modern Materials
- e) Interpretation and Presentation of Cultural Heritage (Exhibition Design)
- f) Restoration sites and Edutainment
- g) Cultural Heritage Accessibility between tradition and innovation
- h) Education and Cultural Heritage
